

American Greensomes Fun Golf Report

The American Greensomes Fun Golf was a popular format in which 72 members and guests played out a 12-hole stableford competition. The weather was kind to us and again a lovely carvery was the centre of a great warm atmosphere in a buzzing clubhouse.

We welcomed a debut from our Vice President, Alistair Sutton, who played after some arm twisting and threats of sanctions from Pat; not too sure that we have a convert but good to see him anyway.

He certainly looks as though he's enjoying himself in the photo on the left!

First place with 55 pts on local rule were Pat & Colin Chamberlain, Cathy Carter & Geoff Phipps.

Second, again on local rule, were Wad & Ian Grayson, Julie & Paul Hyatt with 55 pts.

Third were Sue Morris, Francis Kempster, Kelvin Kempster and Barbara Wright with 53 pts.

Fourth with 51 pts, on local rule, were Carol & Mike Hinks and Jane & Howard Linsley.

Fifth with 51 pts, again on local rule, were Alistair & Pat Sutton & Phil & Steph Adcock.

The prize for the best pair not in the prizes went to Dewi & Linda Paylor with a creditable 28pts.

Our thanks to Dick for his offer to use one of his suppliers to source our wine prizes at a reasonable cost, thus enabling four pairs to win lucky dip prizes as well as the main prizes.

To Dick, Elaine, young Rich, Joe & the girls and the pro shop; our grateful thanks for all your assistance, which made the day go smoothly.

Last but not least to Pete Shaw, a big thank you, it's easy to put up all these prizes but it makes hard work for the one doing the cards, you did a great job Pete and we are very grateful.
