

**A Fashion Show, in conjunction with Debenhams, was held in aid of MacMillan Nurses. 5 of our ladies - Carol Hinks, Val Bowler, Steph Adcock, Anne Straker and Elaine Harris - had their arms twisted and modelled for us.**

**These pictures from the event show how elegant and professional they looked.**

**After the show had finished the Lady Vice Captain was spotted modelling the new wonder bra with 'hidden hands' in the side and underneath for added support.**

**Perhaps this will improve her swing!!!!**

**Thanks must go to Anne Bluck for organising this event.**

**Without all her hard work this would not have taken place and we would not have raised the grand total of £815.**
