Member get Member incentive extended

The club still has vacancies for Full Playing Members and, due to the success of the recent Member get Member campaign, we are pleased to announce that the current **£75.00 incentive** for any existing member introducing a new member is being extended until **30th September 2011**.

The £75.00 incentive is credited to your Smart Card as soon as the new member is accepted and payment has been taken.

This method of recruiting new members has proved immensely successful and also helps us attract applications from people who are known to our existing members.

In order to encourage applications from younger people and those with young families (and the associated financial commitments) we are offering the following flexibility in terms of how annual subscriptions and joining fees can be paid:

The joining fee can be paid over a period of up to 5 years - interest free!

or

Pay 7.5% above the annual subscription for the duration of the membership to cover the joining fee.

or

Subscriptions can also be paid on a monthly basis (using a credit facility provided by Premium Credit) meaning that there is no initial outlay.
